Summer Camps Available:
We have camps throughout the summer, offering 3 day or 5 day, 1/2 day or full day.

Open Gyms are done for the Summer, we will start up again in September.

Coaching Changes: Summer is here and you may notice some coaching changes. Some of our college coaches leave for the summer and some that are going to school out of state come back. We train our coaches to teach the same skills for each level they are coaching so your gymnasts should still be working the same skills.

Preschoolers: If your preschooler is not potty-trained and is in pull-ups please bring an extra in case of accidents. Also, please plan on staying for the entire class just in case of an accident. Children will not be allowed to participate with a dirty pull-up.

Motivational Moment:

“The potential for greatness

Lives within each of us.”

- Wilma Rudolph

Premier Mission: At PGR our main goal is to provide each child with the safest and most enjoyable environment to perform. Although, we are a gymnastics facility we strive to help children grow in other areas of their life. Gymnastics is an excellent base for all other types of sports, and develops self-confidence and the ability to work as a team. With positive reinforcement coaching, every child should be able to reach their level of excellence in a fun but learning atmosphere.
