Coaches Corner

We are looking forward to the 2018/2019 school year. Look for some new and exciting things to be happening in all of our programs as we try to make Premier even better. Remember to place comments in the “Kudos” jar about our coaches. We love to hear how they are doing.

Remember that Saturday Open Workouts from 11-1pm can also be used for make-up classes for Beginners, Intermediate, and Advanced classes. This is not an open play time. They will rotate events working on skills for their level.

Please remember that when you are dropping our program 2 weeks notice before the new session and a withdrawal form are required.

Premier Mission: At PGR our main goal is to provide each child with the safest and most enjoyable environment to perform. Although, we are a gymnastics facility we strive to help children grow in other areas of their life. Gymnastics is an excellent base for all other types of sports, and develops self-confidence and the ability to work as a team. With positive reinforcement coaching, every child should be able to reach their level of excellence in a fun but learning atmosphere.
