## Coaches Corner

You may notice some switching of Coaches for the Summer to adjust for Summer schedules. Please let us know if you have any coaching concerns.

Please remember to schedule make-ups ahead of time; we do not want to overload our classes and coaches.

If your child is 6 or younger please walk them into the gym and don't leave until your child's class has begun.

***Please remember that when you are dropping our program 2 weeks notice before the new session and a withdrawal form are required.***

**Premier Mission:** At PGR our main goal is to provide each child with the safest and most enjoyable environment to perform. Although, we are a gymnastics facility we strive to help children grow in other areas of their life. Gymnastics is an excellent base for all other types of sports, and develops self-confidence and the ability to work as a team. With positive reinforcement coaching, every child should be able to reach their level of excellence in a fun but learning atmosphere.
